

NATIONAL INSTITUTE FOR CERTIFICATION IN ENGINEERING TECHNOLOGIES

sponsored by the National Society of Professional Engineers

1420 King Street • Alexandria, Virginia 22314-2794 • 1-888-IS-NICET

**CROSSOVER LISTING
as of 12/06/2007**

The crossover relationships shown below are not guaranteed because crossover relationships can change when programs are revised and updated. Crossover credit is posted to an examinee's permanent record only when testing takes place. Only crossover credit existing at the time of testing will be posted to your record.

Column 1: Fire Protection Engineering Technology
Fire Alarm Systems

Column 2: Fire Protection Engineering Technology
Special Hazards Suppression Systems
