Dear Ed:

Thank you for making a difference for our kids with AFAA's very generous gift of \$2,000.00 supporting The Arthur C. Luf Children's Burn Camp.

Your generosity will give children who are severely burned a chance to have fun, "just be a kid", and enjoy the benefits of something that many of them have never seen before – a campground with camping out, camp fires, hiking, fishing, swimming, boating, archery and meeting the challenges of our ropes course.

We also see the benefit that this experience brings in helping our kids build their self-esteem and self confidence so that they are better prepared to cope with their future.

Thank you for caring in this special way. Your continued support has made you a part of the Burn Camp family. Our kids are now your kids too.

Sincerely,

A handwritten signature in black ink, appearing to read "Frank Szivos". The signature is fluid and cursive, with a long horizontal stroke extending to the right.

Frank Szivos
Executive Director
